COST: FREE; \$3 suggested donation

Enjoy refreshments and facilitated discussion

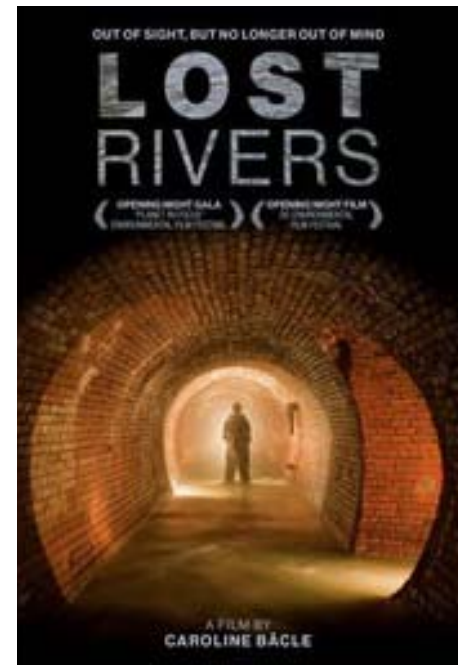

Bring Your Own Mug!

About the Film - Explores the hidden waterways in cities around the world and introduces us to people dedicated to exploring and exposing them. Many municipal governments are 'day-lighting' their once-buried waterways —find out how and why. (72 min.)

Discussion Facilitator: Jim Compton

City of Marquette Hydrology / Engineering
Special short presentation on daylighting Whetstone Brook, a downtown Marquette stream.
