**2. New Funding Opportunities**

New proposals can be submitted through the Great Lakes Research Center. Director Guy Meadows' signature will be needed on the PI signature page of the transmittal sheet.

[NASA ROSES 2017](#) has been announced. The table of program elements with updated due dates will be kept current in the **“Open RFPs of ongoing interest”** section of this newsletter.

**Reminder: The [GACS pilot program](#) offered by the Michigan Tech Graduate School will be extended to offer tuition support on proposals submitted through **October 31, 2017**.**

**Undergraduate Research Internship Program**

Pavlis Honors College and Portage Health Foundation

Deadline: October 2, 2017

### **Century II Campaign Endowed Equipment Fund (C2E2)**

The Office of the Vice President for Research is requesting Century II Campaign Endowed Equipment Fund proposals (C2E2). The program provides funds to purchase equipment that will have a broad, campus-wide impact and will improve the lives of faculty, staff and students. Deadline: October 19, 2017 by 4:00 p.m.

### **Shenandoah National Park Trust Research Fellowship Program**

Shenandoah National Park  
Deadline: October 31, 2017

### **2017 Outreach Program Request for Proposals (RFP) for NWS/Office of Water Prediction/National Water Center (NWC) Cooperative and Partners Projects**

#### **Sponsor: COMET® Outreach Program**

- **NWC Cooperative Projects:** COMET anticipates awarding two-four competitively reviewed, 1-2-year projects, each with a budget maximum of \$40,000. The deadline for submission of a preliminary synopsis is **October 2, 2017**, with the final proposal due **December 15, 2017**. For more information, please see [NWC Cooperative Projects RFP](#) and the guidelines for NWC Cooperative Project [proposal submissions](#).
- **NWC Partners Projects:** COMET is currently accepting 1-year NWC Partners proposals (budgets limited to \$15,000). Proposals will be reviewed as received, and approved submissions will be funded until program resources are expended. For more information, please see [NWC RFP Details](#). It is anticipated that up to six projects will be awarded. For details on these projects, see [NWC Partners Proposals](#).

---

### **3. Request Contribution numbers for GLRC Publications**

Please email Carol Asiala ([glrcadmin-l@mtu.edu](mailto:glrcadmin-l@mtu.edu)) when you are preparing publications. We are continuing to follow in the time-honored tradition of many Institutes by recognizing Contribution Numbers in papers that we publish in the peer-reviewed literature. You are welcome to participate. All you need to do is -

1. Contact Carol Asiala/Beth Hoy ([glrcadmin-l@mtu.edu](mailto:glrcadmin-l@mtu.edu)) to request a Contribution Number. Please provide as much citation info as possible - author(s), title, journal/book, etc.
2. Add to your acknowledgements section, "This is Contribution No. \_ of the Great Lakes Research Center at Michigan Tech."
3. Get back to Carol when your paper is in print and give her the volume and page numbers.

Your participation is welcomed for this effort to enhance the visibility of the GLRC.

#### 5. Conferences & Webinars

##### **September 15, 2017 - Applications Due**

**The Society for Ecological Restoration's** certification program is now accepting applications for Certified Ecological Restoration Practitioners (CERPs) and Certified Ecological Restoration Practitioners-in-Training (CERPITs)! Certification encourages a high professional standard for those who are designing, implementing, overseeing, and monitoring restoration projects throughout the world. The current list of certified practitioners can be found at [www.ser.org/page/CERPSearchList](http://www.ser.org/page/CERPSearchList). The current application window is open through September 15, 2017. Find out more information and begin your application at [www.ser.org/page/certification](http://www.ser.org/page/certification).

##### **September 15, 2017 - Applications Due**

##### [Snow Measurement Field School](#)

## 7. Graduate Certificate in Sustainable Water Resources Systems

Currently enrolled students can download the [Certificate Degree Schedule](#) to plan their coursework. When they have completed the required courses, or are enrolled in the last ones, the certificate degree schedule should be submitted to Nancy Byers Sprague ([nspr@mtu.edu](mailto:nspr@mtu.edu)) in the Graduate School.

### Request from CWS:

If you plan to complete the certificate, please email Carol Asiala ([mtcws@mtu.edu](mailto:mtcws@mtu.edu))

- If you are not already on the **glrc-student-community-l** email list, you will be added and will receive announcements of water-related activities and the opportunity to apply for travel and research grants.
- We would like to keep a list of students working towards the certificate, and then we also have an idea of which students need to enroll in the UN5100, the Water and Society colloquium course.

### Links to certificate degree schedule:

Grad School:

<http://www.mtu.edu/gradschool/documents/policies-procedures/forms/certificates-icsw.pdf>

---

## 8. Student Research Grants (**December 1**) and Travel Grants (**September 29**)

**Research Awards:** Graduate and undergraduate research awards are now due the first Friday in **December** and **March** of each year, and the 2<sup>nd</sup> Friday in **August**.

**December 1, 2017**    **March 2, 2018**    **August 10, 2018**

Each award can be up to \$750. Awards can also be used to support undergraduate research in formal class settings (e.g. Enterprise, Senior Design, Pavlis, senior thesis, capstone classes etc.). The research should support the Center's mission (<http://www.mtu.edu/greatlakes/about/documents/strategic-plan.pdf>).

**Travel Awards:** Graduate student travel grants (\$500) are also available through the Center for Water and Society to present a water related paper at a conference. Applications are reviewed on the **last Friday of each month**, and must be submitted at least **2 weeks in advance** of planned travel.

Applications for **Travel and Research** grants are online at:

<http://www.mtu.edu/greatlakes/about/documents/glrc-travel-grant-app.pdf>

Student advisors must be a faculty member of the GLRC (**CWS Faculty**) or the students must be supported on a GLRC-affiliated research grant.

Students will also be required to indicate how they would like to provide a return on the GLRC investment. Options include:

- a. presenting a poster at World Water Day in March;
  - b. assisting with preparations for World Water Day;
  - c. assisting with GLRC-sponsored outreach activities;
- 

## **9. Colloquium Course – UN5100 – next offered: Spring 2018**

### **Water & Society Colloquium Course**

**Spring 2017 Topic:** *“Holistic Health Assessment for a Waterborne Contaminant from Multiple Perspectives”*

**Course Number:** UN5100, CRN 13023, 1 credit

**Time/Location:** Tuesdays 3:35-4:25 in **Dow 875 (Confirmed)**

**Course Organizer:** Noel Urban ([nurban@mtu.edu](mailto:nurban@mtu.edu))

[http://www.mtcws.mtu.edu/education\\_colloquium.html](http://www.mtcws.mtu.edu/education_colloquium.html)

Each week, participants will read a journal paper or scientific report in preparation of discussion sessions on Tuesdays. Select films from the Green Film series (held Thursday evenings) will be used in lieu of the paper/Tuesday discussions. Students not registered for the course and faculty are encouraged to participate.

Discussion sessions will be led by a group of students and faculty. This group will prepare a few questions or comments the week preceding the discussion and send these to the class as a way to begin focusing the discussion. The group will begin the discussion session with a 10-minute summary of the major issues covered by the preceding week’s reading and repeat the discussion questions.

This course (or SS 5325) is required for the CWS Graduate Certificate in Sustainable Water Resources Systems.

---

## **10. Seminar Speaker Support Program**

Great Lakes Research Center members can apply for assistance in bringing seminar speakers to Michigan Tech. Lecture topics should be of interest to the GLRC, and the visit should correspond with GLRC goals. The **Seminar Speaker Request** form should be emailed to Carol Asiala at [mtcws@mtu.edu](mailto:mtcws@mtu.edu).

---

## **11. CUAHSI (Consortium of Universities for the Advancement of Hydrologic Science, Inc.)**

Michigan Technological University is a member university of CUAHSI (<http://www.cuahsi.org>) through the support of the Center for Water & Society and the CEE and GMES departments. Explore their website for resources available to faculty and research.

**CUAHSI Cyberseminar Schedule:** <https://www.cuahsi.org/Cyberseminars>

**CUAHSI members will now receive discounted registration rates for CUAHSI events and workshops.**

Michigan Tech faculty, staff and students are CUAHSI members, and are eligible for the member discount. The member discounts will go into effect for the [2017 CUAHSI Conference on Hydroinformatics](#). Simply choose the CUAHSI member registration type when registering to receive the discounted rate. The member discounts for CUAHSI training workshops will go into effect starting in 2018.
